Thank You to Our

Thank you for supporting the
Citizens University Committee!
ABOUT OUR HONOREES:

“The CARB Team,” comprised of the County of Riverside, City of Riverside, UCR, and the Greater Riverside Chambers of Commerce, epitomized the “power of partnership” in their three-year effort to successfully convince the California Air Resources Board to re-locate its research facility and to bring 400 employees to Riverside.

Jonathan Green helped establish UCR’s artistic presence in downtown Riverside. The longtime director of the California Museum of Photography, Green oversaw the creation of the UCR ARTSblock including the dramatic renovation of Rouse’s Department Store into the Barbara and Art Culver Center of the Arts.

Liza Olvera is the 2016 Justice John G. Gabbert/CUC Scholar. Liza is a Spanish/Chicano Studies double major with a minor in education starting her senior year. She aspires to obtain her Masters and Ph.D in bilingual education and work in a low income area to inspire youths to attend college.

The Citizens University Committee Fall Kickoff is always one of the highlights of the year!

Join us for an evening of fun, food, and friends as we get together to honor two true difference makers to both the campus and community: Jonathan Green and “The CARB Team,” as well as a future difference maker, UCR student and Gabbert Scholar Liza Olvera.

We will also install the new chair of the CUC, Charlotte McKenzie!

Space is limited, so RSVP today!
